Do you have all the pieces for a great marketing plan but don't know how to start putting them together?

Funnel Vision will help you understand the right piece to use as your starting point, and how to put your marketing pieces into action to complete the entire marketing puzzle picture. We will discuss how to attract strangers to gain visitors, how to connect visitors into customers and how to delight customers into brand champions.

Funnel Vision will help you decide when and how to use social media, call-to-action, blogs, newsletters, posts, tweets, pins, pluses.

Funnel Vision is taught by an experienced and eccentric marketing agency VP who will keep your attention while laughing and learning. You will have serious fun at this event!
